

You've heard of the 4-H, now I'd like to introduce you to the **4-C (Camp Counselor Cyber Club)**.

- Do you love Stampin Up Products?
- Do you love those Hostess Sets, but no time or room to host a party?
- Do you like to order your supplies on-line?
- Do you like to get something for free?

If you answered "yes", then the 4-C is for you!

The 4-C is my new **no commitment** cyber hostess club. This is how it works:

- Place an order of \$25 or more through my online website. This automatically enters you to win the Hostess Stamp Set of the Month! Order more than once during the month, get more than one entry.
- There is no monthly commitment to join this club; all you have to do is order Stampin' Up! merchandise through my site.
- At the end of each month there will be a random drawing from all the orders placed for the Hostess Stamp Set of the month.
- I will announce at the beginning of each month what that Hostess Set is up for grabs so you know what you are vying for.
